MR. GEORGE FLORA

SENIOR HIGH DEDICATION

It is with great pride that we, the students of Niles Senior High School, dedicate the 1951 **Tattler** to Mr. George Flora.

In addition of being a graduate of De Paul and Northwestern Universities, he has done graduate work at the University of Michigan and Columbia University. As head of the Music Department, Mr. Flora has won the admiration of not only the students, but also the townspeople of Niles. Through his efforts, the choir and the two glee clubs have advanced immeasurably. Such productions as the annual Variety Show and Christmas programs have been made possible through Mr. Flora's able direction. We thank you, Mr. Flora, for a job well done.

George Flora

ADMINISTRATION

"This fine yearbook portrays the outstanding program of educational activities in our school. It also reflects the progressive work that has been done by the people of Niles in developing this program."

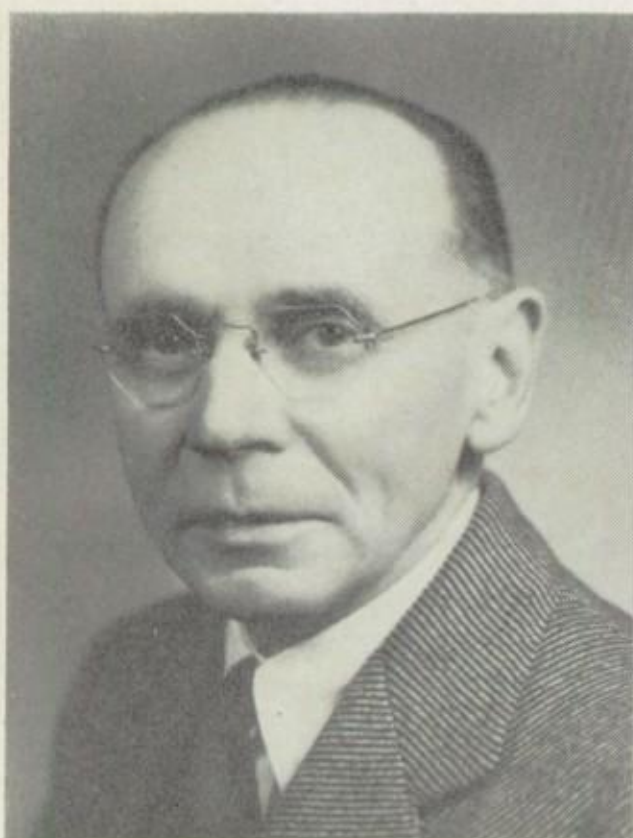

MAX S. SMITH
Past Superintendent of Schools

The **Tattler** is proud in presenting our new superintendent of schools, Paul M. Winger.

This past semester he has been splitting his time between two schools, but we'll see and hear much more of him next year.

PAUL M. WINGER
Superintendent of Schools

WALTER J. ZABEL
Principal

Walter J. Zabel

"I am happy for the opportunity to add a line to your 1951 **Tattler**; to congratulate you upon the record of your accomplishments; and to salute you for the opportunity which is yours in further service to education in our time. Upon the graduates of high schools in the United States rests an important responsibility for the security and strength of our democracy. I am confident that you will continue in the future as in the past to discharge your responsibilities not only with zeal, sympathy, and intelligence, but with a sense of dedication as well."

BOARD OF EDUCATION

JOHN SCAMEHORN
President

FRED MARSHALL
Secretary

CLAYTON McCOY
Treasurer

Continued development of long range construction plans to meet Niles' educational building needs has been the aim of the Niles School Board. That aim has been met to a great extent with the completion of the Westside School and near completion of new northside and southside schools. In addition modern improvements have been made to the Central Elementary and Junior-Senior High School.

Efforts of the board plus support of the people have made these improvements possible. Work will be continued slowly over a period of years until over crowded conditions are relieved.

CLASS POEM

THE CLASS OF FIFTY-ONE LOOKS BACK

The Class of Fifty-One looks back
Upon the days gone by;
Events that can never be lived again
No matter how hard we may try.

Goodbye to class quizzes,
Those dear old C. Q.'s
Farewell to English classes
With their "exceptions to the rules."

So long to speech class
And jostling cafeteria lines,
To geometric figures—
Tangent, secant, and sine.

How we'll miss government
With chapters four through eleven due,
And history with all its dates
That no one ever knew.

So long to shorthand;
Never again a typing drill.
No more laughing at teacher's jokes
(How we will miss Old Bill!)

Of course there's Latin and Spanish,
Agriculture, printing, and more.
And doing all our homework
Proved to be a chore.

But gee, I'll sort of miss
The field trips we took,
And there's lots of learning
That didn't come from books.

Plays, band, and orchestra.
Clubs, and student council too,
Variety Show and government day,
And teams fighting for the gold and blue.

Summing up our school days
We found them full of fun;
Niles High will long be remembered
By the Class of Fifty-One.

STUDENT COUNCIL

Ronald Dunham	President
Ann Weaver	Vice-President
Marilyn Larson	Secretary
Gay Mason	Treasurer

This year the Student Council under the sponsorship of Mr. Nieboer has accomplished many things. Besides sponsoring dances after games, it has also put on the Snowball and planned the entire Homecoming celebration.

It also sponsors the annual Government Day program, during which students manage functions of the city, College Day, and exchange auditorium programs. The Student Council chose a committee whose purpose is to improve conditions of crowded halls and cafeteria and other problems in the school and its surroundings.

The Student Council has performed many other duties, some of which are not outwardly apparent to the student body. Certainly these boys and girls need to be congratulated for their splendid work this year.

F. T. A.

Phyllis Noggle	President
Gay Mason	Vice-President
Margaret Mannix	Secretary
Janet Green	Treasurer
Mrs. Tiller	Adviser

So you want to be a teacher! The F. T. A. would be a wonderful experience for students interested in teaching as a profession. These future teachers are constantly working for the qualities which are essential to a good teacher and the development of leadership.

This is the second year that the Future Teachers of America has been organized in Niles High School under the charter received from the National Education Association. The students gain experience in teaching in the classroom through the cadet teaching program. They learn facts about the profession in their own locality, state, and nation and the opportunities in it. Some of the speakers on the agenda have been Miss Dorothy Hoyt, Mr. Tracy Stockman, and Mr. Max Smith. Two girls will be chosen by the Delta Kappa Gamma Sorority to attend an F. T. A. workshop at St. Mary's Camp near Battle Creek later this year.

Best of luck to you, the future teachers of America!

THESPIAN SOCIETY

Sidney Howes	President	Beverly Holt	Treasurer
Gay Mason	Vice-President	Joyce Vandenburg	Clerk
Marilyn Larson	Secretary	Mr. Hallenius	Adviser

The purpose of the Thespian Society is to further dramatic arts in any way. The organization of Niles High School is troop 766. Some of the projects of the troop have been to exchange assembly programs with other schools, to present an evening of one act plays, and to go to Chicago to see South Pacific.

"N" CLUB

Larry Sholtey	President
Don McCormick	Vice-President
Phil Parker	Secretary
Ronald Dunham	Treasurer

The "N" Club, organized in 1946, has become an outstanding athletic organization in Niles High. Membership is open to any boy winning his major "N" in any interscholastic sport. Initiation of new members is held after each sport season, and a banquet for all members is held in the spring.

The "N" Club fosters a finer spirit of sportsmanship, promotes greater interest in athletics, and creates more encouragement for scholarship among its members.

If your interests pertain to domesticity, girls, here's an organization in which to take active membership. The general purpose of the Future Homemakers of America is to create an interest and emphasize the importance of worthy home membership and the satisfactions of homemaking.

In November delegates were sent to the Regional F. H. A. Convention at Kalamazoo, where functions of the organization were discussed with other F. H. A. delegates. A state convention, similar to it, was held at Lansing in March.

Since its organization in 1948, the F. F. A. Chapter of Niles High School has improved its program and increased its activities. In the fall the boys planted a ten acre wheat field as a co-operative project. They also started a gilt chain with registered durocs.

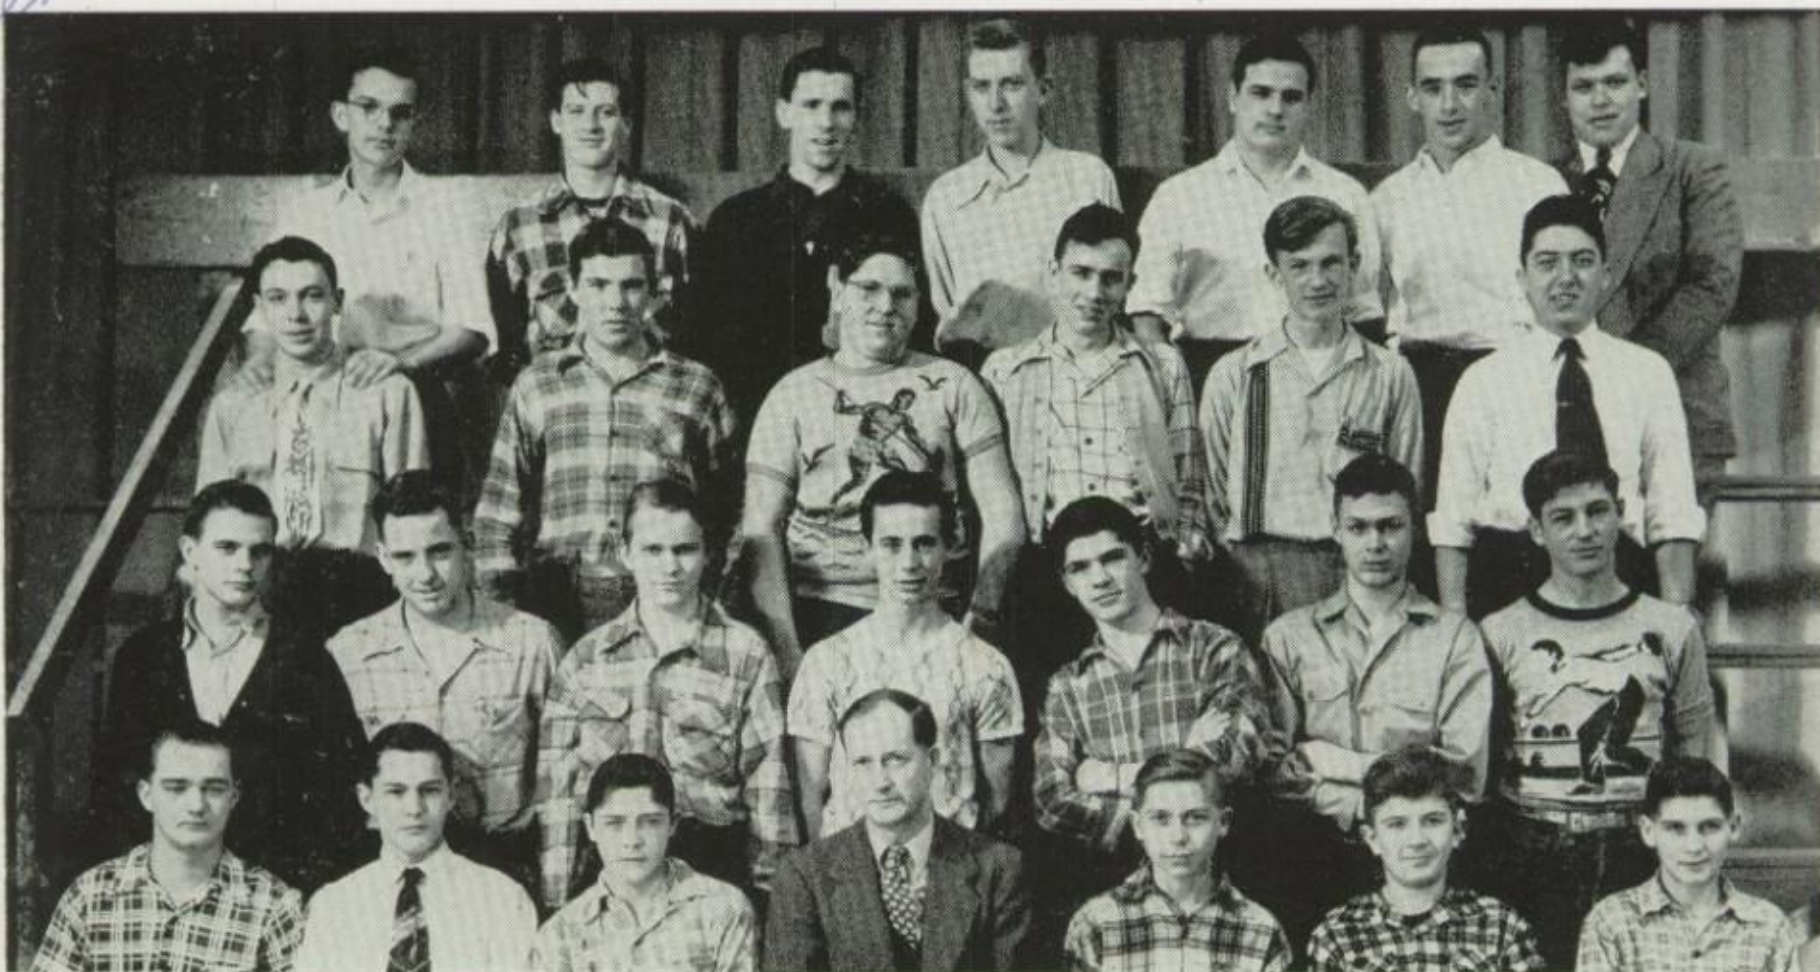

Members of the organization have entered several contests this year. In the county they entered potato judging, grain judging, and apple judging contests. During state events they judged livestock, dairy products, and apples. In the district the boys participated in parliamentary procedure and public speaking demonstrations, and apple grading contests.

Mr. Correll has very ably led the band through another very successful year. They received a first division rating at the annual Band Day at Ann Arbor.

Many concerts have been presented by them this year as well as the annual Band Bounce. During half-time at football games they performed, and the pep squad added to the spirit at basketball games.

During the summer they received a division rating of first for their achievements at the International Friendship Garden.

The orchestra, under Mr. Warrington's supervision, has had another successful year, also. The group played for the Instrumental Music League, Junior Play, league concerts, and the district solo and ensemble festival at Marshall. One of its most important performances was for the Band Bounce.

The choir has been very active this year, the major performances being at Christmas and the Variety Show. Then, too, they participated in the festival at St. Joseph. Each year they sing at senior baccalaureate exercises. The group is accompanied by Gloria Eisen.

This year the sextet and quartet have sung at various times. The Reading Club, P. T. A. meetings, and College Day attendants have all been entertained by them.

During the past year the boys' and girls' glee clubs have sung for civic groups throughout the city. Both groups participated in the Christmas program and Variety Show. In addition, the girls' glee club sings at commencement. Alice Brevier accompanies both organizations.

JUNIOR PLAY

On November 16 and 17 the Junior Class presented **What A Life**, a three-act comedy written by Clifford Goldsmith. Joint Directors were Mr. Hallenius and Joy Freeze. *(Hauser)*

Two days in the life of Henry Aldrich, well-known "confused" high school youth, were depicted by a cast headed by Jim Mack as Henry. Others sharing the limelight were: Norbert Hauser as Central High's principal, Mr. Bradley; Charlene Skinner as Miss Shea, the principal's secretary; Casper Grathwohl as the understanding teacher, Mr. Nelson; Barbara Sheperis, a very good friend of Henry's, Barbara Pearson; Richard Easley as Henry's foe, George Bigelow.

Supporting players were: Barbara Fuller, Shirley Walker, Woodrow Morrison, Margaret Mannix, Delores Cannady, Delores Johnson, Lois Umbenhaur, Duane Mayhew, Carol Reyniers, Nancy McCartney, Reba Simpson, Vera Holloway, and Dale Frizzell.

Committee chairmen were: Jean Van Tuyl, Karien Cook, Tom Bell, Carol Reyniers, William Baxter, Richard Peterson, and Phillip Parker.

Yea! Team Fite!

FOOTBALL SEASON

Champions of the Big Seven Conference! Undefeated and untied! That, in a nutshell, is the story of the 1950 Varsity Football team.

Under the fine leadership of head coach Al Lewis, backfield coach Bob Theus, and assistant coach Bill Wall, the team started practicing late in August for the opening game.

The Vikings got off to a good start by submerging Hillsdale in a non-conference game 30-0. A week later in their first conference tilt, the Vikes turned in a convincing 20-0 victory at South Haven.

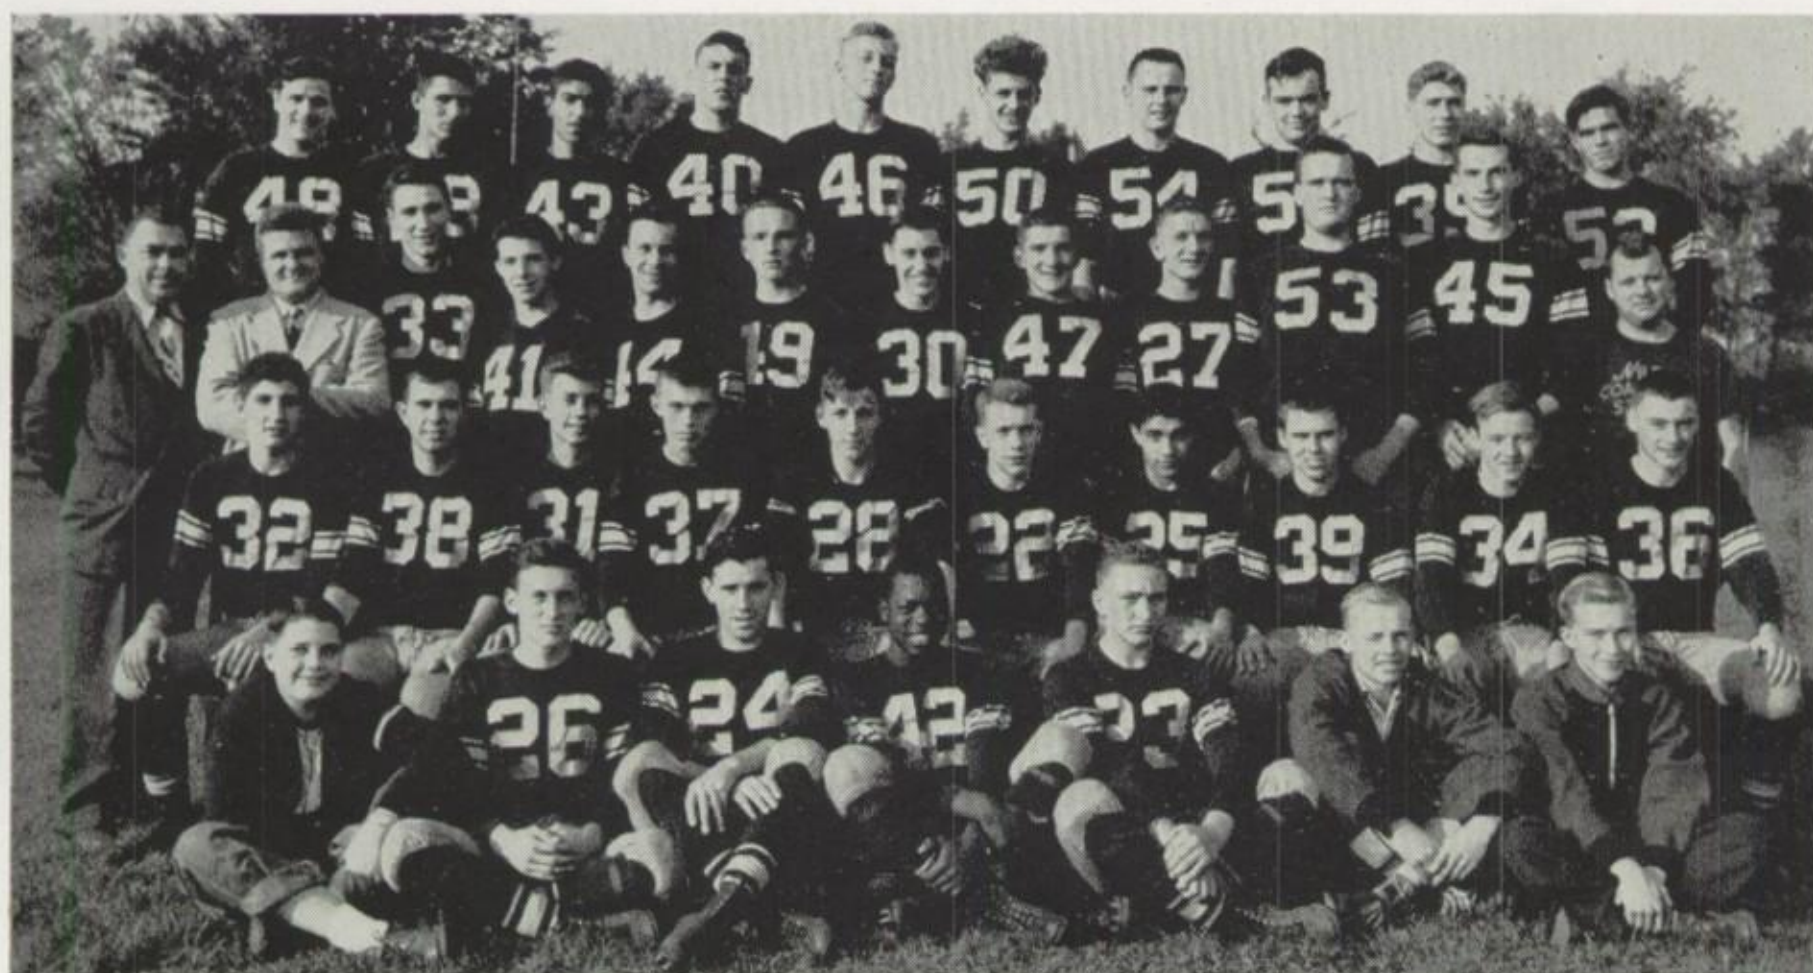

The following week the Vikes showed their defensive strength as they beat Dowagiac 14-0. A week later at Kalamazoo the Vikes came out on the long end of a 19-0 score by beating the State High Cubs.

Then came the big game. St. Joe, undefeated in their new Dickinson Stadium, was our opponent. The Vikes won 14-0 after a hard game.

The following Friday the Vikes annexed their sixth straight victory of the season as they blasted Buchanan 20-7. Then they grabbed their seventh straight win of the year as they trimmed Marshall 19-6.

The Vikings completed the first unbeaten, untied season in the history of Niles as they whipped Three Rivers 26-14.

Niles' football team received another honor when big Larry Sholtey, Viking guard, was selected as an All-State player by the **Detroit Free Press**. Again this was the first time in the history of Niles that a local football player had ever been chosen as an All-State star.

SECOND TEAM FOOTBALL

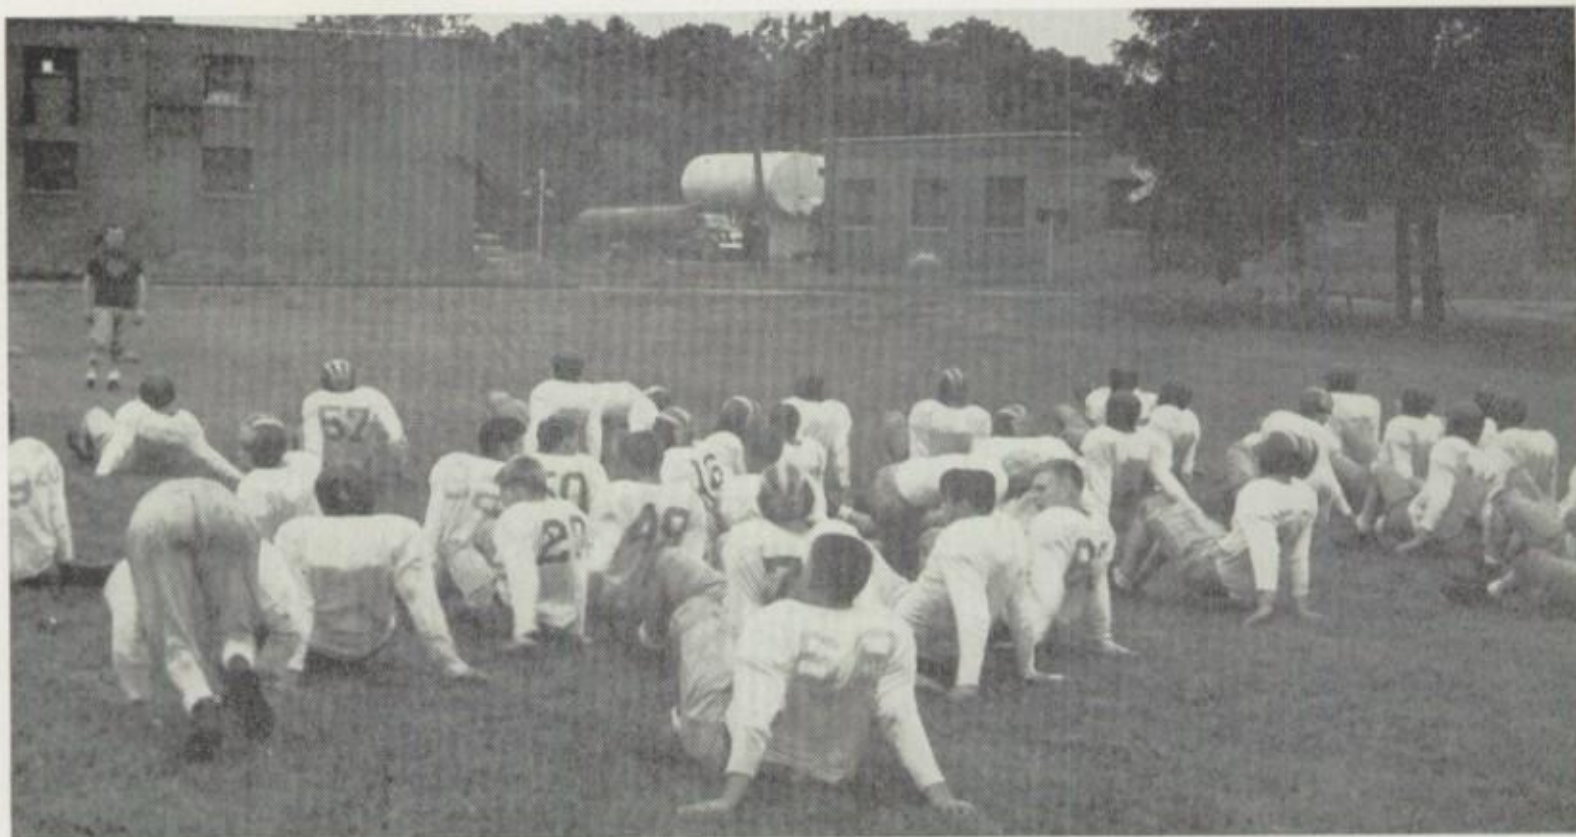

The Junior Varsity's record doesn't look so good this year as far as the won and lost column is concerned. More important than the record, however, is the fact that Coach Wall developed many promising players for next year's Varsity.

The second squad, by pushing the regulars hard, was very much responsible for the success of the Varsity this year.

CROSS COUNTRY—1950

The Niles High School Cross Country team of 1950 was one of the best in this school's history. Although they didn't win many of their dual meets, they met success in their invitational meets, and they placed second in the state meet.

The Viking Harriers lost their first meet to powerful Mishawaka by a close score. In their next appearance they placed second to Alma in the Hastings Invitational. The Harriers then trounced Benton Harbor by a decisive margin. The Vikes lost the next two dual meets to Kalamazoo Central and to Benton Harbor.

However, the Vikes rebounded to place first in the Albion Invitational at Albion.

After winning their final dual meet against Albion, the Vikings placed second in the state meet at Ypsilanti to end a successful season.

BASKETBALL

This year, under the guidance of new head coach, Bob Theus, the Varsity Basketball team won its second Big Seven Conference championship in two years.

Against their first opponent, South Bend Washington, the Vikings did not fare too well. The invading Panthers triumphed 53-48 over the Vikes.

In their first conference tilt, the Vikes humbled State High 45-26. From this point on the Vikes really became hot. The cagers tumbled South Haven 55-40, Dowagiac 66-35, and St. Joseph 62-59.

Against Three Rivers the Vikings overcame a 15 point deficit to topple that opponent.

A high point in the season came when Jim Chrzan set the league scoring record with 36 points as the Vikings swamped Buchanan 74-37. The Vikes went on to beat Lindbloom of Chicago, 54-51, State High 70-43, South Haven 63-43, and Sturgis 56-45.

Then came the let down. Against a poorly rated but highly inspired Dowagiac team, the Vikes went down 40-37. However, the Vikings regained their winning form as they tripped St. Joseph 48-44 to hold on to their conference lead.

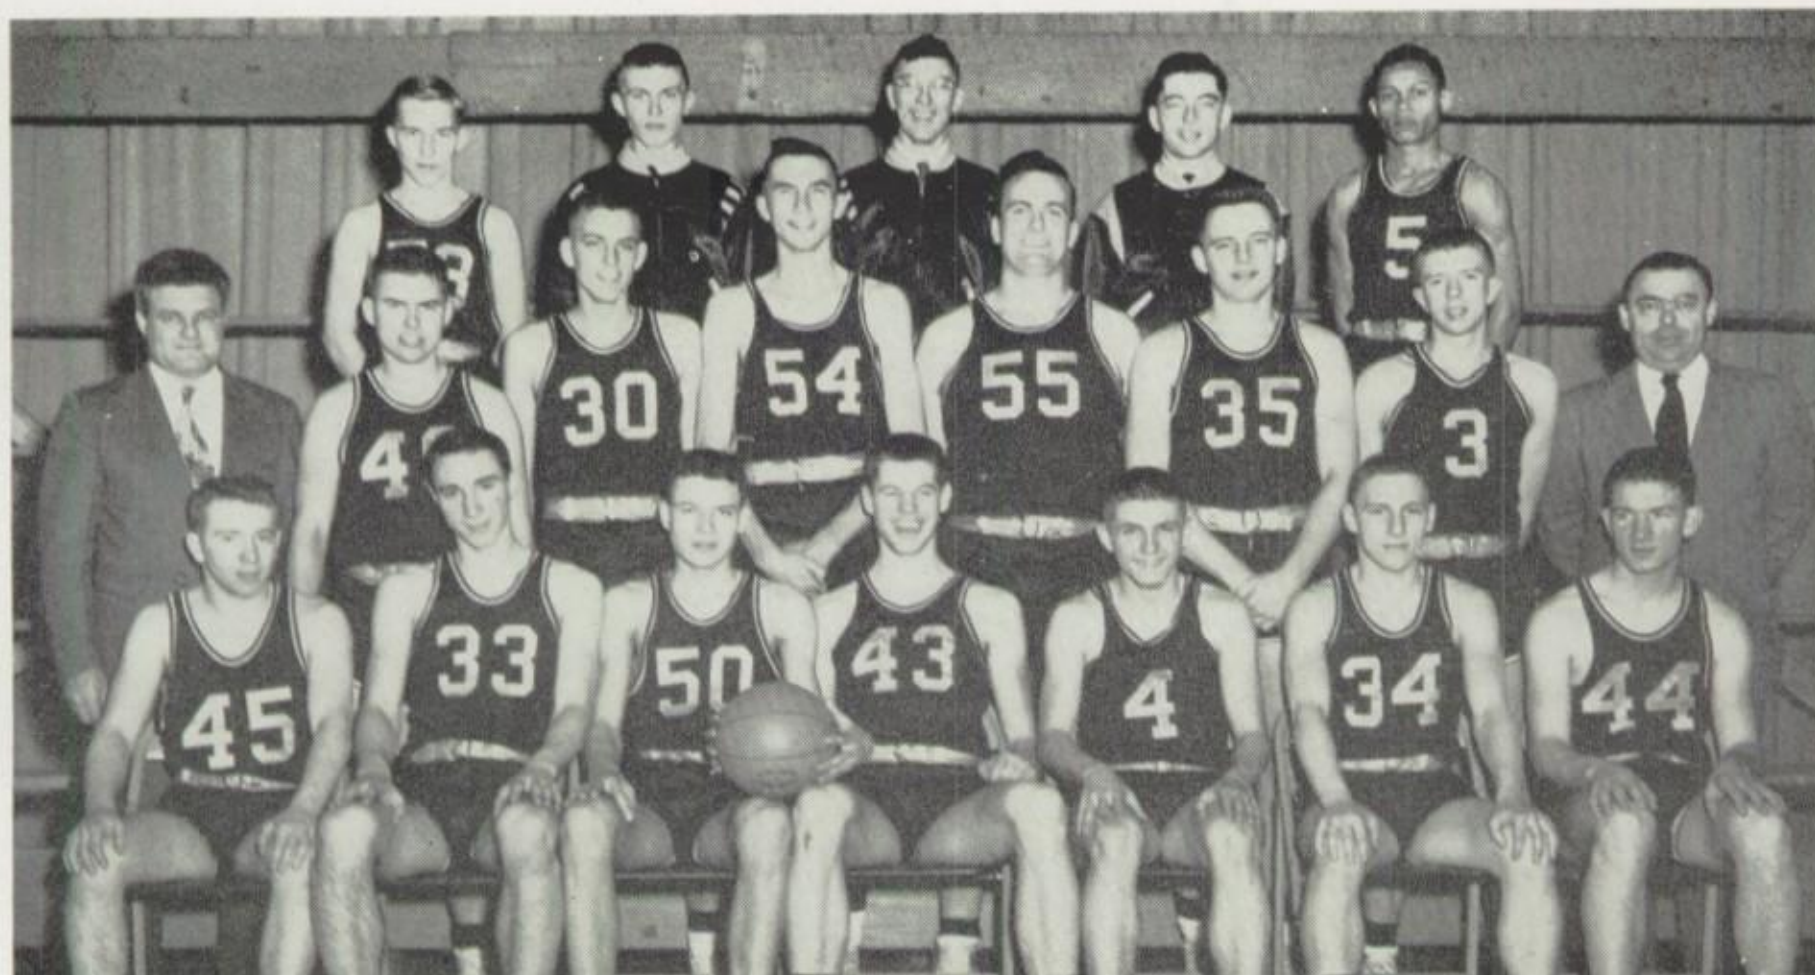

After smashing Three Rivers 57-47, and Buchanan 63-24, the Vikes edged strong Class A Benton Harbor 50-48.

After the Vikes won the first game of the district tournament from Dowagiac, the Vikings failed to click against St. Joseph in the second game.

The Vikings of 1950-1951, by winning all but three of their games, and by annexing the conference championship, proved themselves to be a great team that will go down as being one of the finest in Niles' history.

Much credit should go to the head coach, Bob Theus, and his assistant coaches, Don Bender, and Richard Skyles. Without the efforts of these coaches the Vikings might not have fared so well this year.

One last word of thanks should go to the Junior Varsity. By winning all except three of their games this season, they gave us good reason to predict that Niles' basketball teams will continue to be great in the seasons ahead.

TRACK—1950

The Niles 1950 track team was one of the best in the history of the school. They won all but two dual meets and defeated all comers in the triangular, invitational, conference, and state meets.

Niles lost only to South Bend Central in the opener and to rugged Mishawaka, twelve days later.

The inter-class meet of the cindermen at the beginning of the season saw the seniors (50) winning with sixty points over the second place sophomores (52) with 33 points and third place juniors (51) with 28.

Niles ably demonstrated its power at the expense of eighteen other schools at the Hastings relays on April 22. Again at Kalamazoo on April 29 the strong squad defeated ten other schools.

For the fourth straight year Niles won the conference championship. In the regional meet at Kalamazoo and again at the state meet at East Lansing, Niles Trackmen clearly demonstrated their superiority by winning over a strong field.

Not only was there team strength but there were also some new individual records established. David Berquist set a new conference record on 22.4 seconds in the 180 yard low hurdles during the triangular meet with State High and St. Joseph on May 2. A new school and regional record of 21.2 in the low hurdles was also set by the hard-running Berquist.

Jim Pollock set a new school and track record in the half-mile during the triangular meet with Benton Harbor and Washington of South Bend. Tyler topped that record with a 2:01.1 performance in the conference meet held at Niles.

These boys, the great team, and Coach Hatcher are to be congratulated for their fine season performance.

BASEBALL—1950

Coach Hutchins and his fine team tied State High for the conference championship by winning five conference victories in a successful season ending with eight victories and two defeats.

The Vikings got off to a good start by smothering Washington Clay and continued winning over Riley, Three Rivers, Dowagiac, South Bend Central Catholic, and State High, nearly all by sizable scores.

Then St. Joseph dealt our boys their only conference defeat in a hard-fought contest. The Vikings, being down, lost also to Benton Harbor before they could bounce back to win over Buchanan and South Haven and cement another championship.

TENNIS—1950

The Big 7 Champion tennis Vikings under able Coach Anderson had a very successful season that began with a 6-1 victory over Dowagiac on April 12. The netmen scored double victories over Benton Harbor, St. Joseph, and Dowagiac and then a single victory over once played South Haven. Only State High defeated the Nilesites and that was near the end of the season.

The conference meet held May 12 taxed Captain Ed Foster and his mates, but Niles won with one-half point over surprising Dowagiac, South Haven, and St. Joseph.

In the regional meet held May 20, Niles came second to a strong State High team. Captain Ed Foster further upheld the prestige of a good Niles tennis team by placing runner-up to champion Pore of State High.

MRS. DOROTHY PAYNE

JUNIOR HIGH DEDICATION

The students of Junior High School proudly dedicate their section of the 1951 **Tattler** to Mrs. Dorothy Payne.

She graduated from Olivet College with an A.B. degree and is now chairman of the Eighth Grade English department.

When the Little Women's Club of the YMCA was organized she was honored as their club mother.

Mrs. Payne has sponsored integrated studies in order to help boys and girls solve their problems and get more value from their formal education. As an experiment she has taught English literature and history in a core curriculum class this year.

JUNIOR STUDENT COUNCIL

Tim Tyler	President
Dick Kasprzak	Vice-President
Marcia Bedinger	Secretary
George Starnal	Treasurer

The Niles Junior High School Student Council has accomplished many things this year under the direction of Mrs. Bender and Mr. Leeman.

They have sponsored several Junior High dances and have been conducting a trial monitor system on the first floor of Junior High School. The council operates the lost and found case, contributes toward the Viking Handbook, and assists with pep meetings. This year they have carried on an extensive Junior Red Cross program and are providing for the installation of a pay phone for students.

Membership was composed of ten elected representatives from each class in Junior High School.

Junior High School students receiving highest ratings in instrumental auditions make up the membership of the Junior Band. Experience in that organization prepares the students for later membership in the Senior Band.

This year the Junior Band participated in the concert series and played at an Instrumental Music League meeting. The group also attended a band and orchestra meet at Kalamazoo in the spring.

Several Junior Band members united with the Senior Band to organize the marching band. That combined group marched at all the football games, the Fall Marching Festival at Buchanan, and Band Day at Ann Arbor.

JUNIOR HIGH BASKETBALL

The Junior High Basketball team made a very good showing this year. The seventh and eighth grade teams were coached by Mr. William Wall and the ninth grade by Mr. Richard Skyles. Each team showed remarkable improvement through the season and ended it with a splendid record.

We're Proud of Them!

WE'RE proud of them because of the fine progress they're making in their new telephone jobs. And you can be proud of them, too, because they're friends of yours. We mean the girls who joined Michigan Bell after graduating from this high school last year.

They're just the kind of girls we want in our organization. This June brings another graduation day when many girls who are now seniors will be starting a new and different life in the business world. We hope it will be with their friends here at Michigan Bell.

PENNEY'S

100% Values

Quality first! No more doubtful values! That's the ultimatum of today's wise shoppers. Penney's endorses this movement.

We put quality first because it's good common sense. Our success is built on it.

And because we intend to operate for years and years to come — we've no intention now of abandoning our rigid standards. Low prices appeal to us, of course. Penney's is always searching them out and presenting them to you daily. But — ALWAYS — quality is the distinguishing factor. One hundred per cent is our ideal — and Penney values must NEVER fail to measure up to it.
